

Dr. Frederick Jaffe

DR. FREDERICK JAFFE Memorial Lectureship in Forensic Medicine

Dr. Frederick Jaffe was one of the first forensic pathologists in Canada and was active in Ontario from the 1950s to early 2000s. During his long career, he made major contributions to forensic pathology in Ontario. Thus we have created this lectureship in his honor.

“Forensic Medicine and Human Rights: Investigating
and Documenting Torture and Ill-Treatment”

Professor Duarte Nuno Vieira

President, National Institute of Forensic Medicine, Portugal

Monday, October 7, 2013
