

# CELL BIOLOGY SEMINAR

**Dr. Joshua G. Pemberton**

WESTERN UNIVERSITY  
CHILDREN'S HEALTH RESEARCH INSTITUTE

***"OUTER MEMBRANE LIPID  
COMPOSITION DIRECTLY REGULATES  
MITOCHONDRIAL REMODELING***

**FRIDAY**

**13 SEPTEMBER, 2024**

**1:30 -2:30 PM**

**EVENT ROOM 1  
PGCRL**

*Joshua Pemberton is an Assistant Professor of Biology at Western University and an Associate Scientist at the Children's Health Research Institute (CHRI). His research focuses on eukaryotic cell biology, organelle dynamics, membrane trafficking, and lipid metabolism.*
