

**Donnelly Centre**  
for Cellular + Biomolecular Research  
UNIVERSITY OF TORONTO

UNIVERSITY OF  
**TORONTO**

## Special Seminar

“Forkhead (Fox) transcription factors open new dimension in understanding the epigenetic control of replication origins in *S. cerevisiae*”

**Oscar M. Aparicio, PhD**

*Professor*

Molecular and Computational Biology Program  
University of Southern California  
Los Angeles, California

Monday, March 21, 2016 | 2:00 pm  
Donnelly Centre Red Seminar Room

**Host: Dr. Grant Brown**
