

Dr. Frederick Jaffe

# DR. FREDERICK JAFFE Memorial Lectureship in Forensic Medicine

Dr. Frederick Jaffe was one of the first forensic pathologists in Canada and was active in Ontario from the 1950s to early 2000s. During his long career, he made major contributions to forensic pathology in Ontario. Thus we have created this lectureship in his honour.

## “Evolution of Death Investigations in Nova Scotia”

### Matthew Bowes, MD
