

Molecular Genetics
UNIVERSITY OF TORONTO

MEMORANDUM

To: Dr. F. Sicheri, Dr. R. Collins, Dr. S. Sidhu, Dr. C. Smibert, Dr. T. Moraes, Dr. S. McKenna

From: Zamiha Premji, Student Services Assistant

Date: August 13, 2018

Re: **Ph.D. Oral Examination for Manisha Talukdar**

There will be a Ph.D. oral examination for **Manisha Talukdar on Friday, September 14, 2018.**

Prior to the exam, Manisha will deliver a public seminar at **9:30 AM in Room 4174 of the Medical Sciences Building, 1 King's College Circle.** Examiners are asked to attend the seminar presentation, which will be 40-50 minutes in length. The Chair of the exam committee is also welcome, but is not required to attend the public seminar. Seminar attendees, but not members of the examination committee, will be invited to ask questions of the candidate following the public seminar.

Immediately following the seminar, at 10:30 AM, the closed-door exam will take place in **Room 4174 of the Medical Sciences Building, 1 King's College Circle.**

The exam committee is as follows:

Dr. Frank Sicheri	(Supervisor)
Dr. Richard Collins	(Supervisory Committee member)
Dr. Sachdev Sidhu	(Supervisory Committee member)
Dr. Craig Smibert	(Departmental Representative)
Dr. Trevor Moraes	(Department of Biochemistry)
Dr. Sean McKenna	(External Appraiser)
TBA	(Chair)

The title of Manisha's thesis is "Structural and functional characterization of dual kinase-endoribonucleases, IRE1 and RNase L."

Copies of the thesis will be made available to the exam committee at least 4 weeks before the exam (August 17, 2018).

c.c. M. Talukdar

These procedures have been approved by the Associate Dean-Life Sciences at the School of Graduate Studies. Please note that though the procedures for the Final Oral Exam for this Department differs to some extent from that of other Departments, they do not contravene the regulations as outlined in the School of Graduate Studies policies.
