

**PROGRAM IN CELL BIOLOGY
SEMINAR SERIES
THE HOSPITAL FOR SICK CHILDREN**

Dr. Michael D. Taylor
Developmental and Stem Cell Biology
The Hospital For Sick Children

**"One of these things is not like the others –
intra and intertumoral heterogeneity through
space and time drive the clinical behaviour
of childhood brain tumors"**

Friday, December 13, 2013

1:30 – 2:30

PGCRL, Rm. 02.9320, 2nd Floor, Event Room 1
